

About Our Complimentary Services

Complimentary Massage

Every patient of record 18 years of age and older, having undergone a comprehensive exam is eligible for a complimentary 30 minute neck, back and shoulder massage each annual (not a calendar year) basis. IE: If the patient has an annual massage on April 29th, the patient will not be eligible for another annual massage until April 30th of the following year.

Annual massages are non-transferrable and have no cash value. Upgrades are available for an additional fee.

Massages do not have to be in conjunction with dental treatment and must be scheduled during regular business hours.

Whitening for Life Protocol

Every patient of record 18 years of age and older, having undergone a comprehensive exam who is free of decay and gum disease, and has kept current (with one month) of the recommended continuing care interval is eligible to receive free custom-made home whitening kit.

Patients are given 2 tubes of whitening gel upon receiving their trays and will receive 1 tube of whitening gel at their recare appointment, provided the patient is seen within one month of the recommended recare interval. Patients may purchase additional syringes of whitening gel for \$10 each.

Whitening kits are non-transferrable and have no cash value.

Replacement trays are \$75.
